

Administration

Tony Miner, Headmaster

As a graduate of Purdue University I completed a degree in Communications, Public Relations. This career path has taken me into ministry for 14 years and then to King's where I have enjoyed working with families. As Principal of The King's Academy I am dedicated to helping students become grounded in Biblical truth – in academics and the arts, and in their personal character and spiritual growth.

E. Davis, Office Manager

E. Ballinger, School Events Coordinator

A. Binkerd, Bookkeeping

M. Lynn, Receptionist

A. Moore, School Nurse

Sports and Support Staff

J. Knoderer, Housekeeping and Maintenance Coordinator

C. Staggs, Children's Chef

T. Voss, Athletic Director

Elementary

A. Amstutz, B.S. Elem. Ed.

Kindergarten

After raising my children, I continued teaching children - this time in school. 14 years later I still love helping students learn. I enjoy teaching at King's because of its dedication to providing a strong academic program and teaching Christian values and Biblical truths.

T. Rangel

Kindergarten Aid

K. Brown, B.S. Elem. Ed.

1st Grade

I love working with kids and seeing them discover new things, and I love partnering with the families not only to educate but be a part of bringing up boys and girls who love Jesus.

M. Powell

2nd Grade

L. Winters

3-4th Grade

K. Winningham

1-2nd Grade Aid

S. Kirk

5-6th Grade

A. Hunt

5-6th Grade Aid

E. Davis

3-6th Grade Keyboard

R. Myers
Elementary P.E.

M. Williams
Elementary Music

K. Wormgoor, B.S. Life Science Ed.
Elementary Art, Web Manager

Wondering why I am teaching Art with a Science degree? After completing a double art major in high school, I entered college and began my study in Art Education and Marketing. I gravitated to Life Science and creating and teaching have remained an intricate part of my adult life. I love when a student discovers their God-given creativity.

Jr High

N. Dalton
Jr. High Physical Education

L. Jones
English, Creative Writing, World Studies

K. Meadors, M.S.
Pre-Algebra, Science

K. Seeman, M. A. C. P.
Jr. High Study Skills

J. Walker
General Science

D. White, M.S. Ed.
Jr. High Life Skills, Bible, Kitchen Coordinator

L. Yocum, B.A. Ed.
Secondary Art, Jr. High Math, English Aid

After completing my Art Education degree at Indiana Wesleyan I started teaching at King's. I enjoy the atmosphere and students at TKA and seeing how God is working here.

High School

N. Dalton
Sr. High Physical Education

D. Day
World History, Cultural Geography

A. Jackson, B.S. Math Ed.
Algebra, Geometry, Advanced Math/Pre Calculus

I grew up as a missionary kid in Senegal, West Africa. I love teaching! I love helping students understand math and seeing them grow at all levels - from Algebra to Pre-Calculus. I really enjoy the high level of trust and respect that exists here and the ability to openly share our faith.

S. Johnson
Bible, Apologetics

L. Jones
English, Creative Writing, World Studies

**R. Mitchell,
Bible, Old Testament**

**K. Seeman, M. A. C. P.
Guidance Counselor**

I grew up in Seattle and now live on 20 acres in the middle of Indiana after my husband accepted a professorate position, who knew! I love to help students and watch them grow, and I am grateful for King's commitment to discipleship and that I have the opportunity to participate in that.

**J. Song
Physics**

**Dr. B. Stuard
US History and Government**

**A. Thiessen, B.A.
Spanish**

I began teaching 27 years ago after learning Spanish on the mission field. I love that I can teach something I enjoy, especially at King's where I can incorporate Bible verses, praise songs and prayers in our Spanish classes. Not many people know that I am an identical twin - I promise it will be me who shows up for class☺

**J. Trudeau, M.S.
Secondary Life Science, Chemistry, Anatomy**

**D. Williams
Personal Finance**
